51 responses

.

-

.

No suggestions

Good

NA

To make sure that not all the time a student can Perform well, support is needed.

No need to suggest

Best

Field work

No observation

The learning session was effective, interactive and knowledgeable

Yes

More inclusion of case studies, group discussions and mock interviews

Make compulsion for attendance, take strict exam, take extra activities, need to focus on administrative office work

Not any improvement as such.

There is no Suggestions for Teachers, all Teachers are experts in there respective faculty.

Suggestion to college (institute or trust) - College Should Built Auditorium for seminars or for any cultural program with good music system with one High Quality Projector

Practical knowledge should be included

Students should get appreciation for work done

Presentations based learning

All teaching methods are good

Nothing it's always good and effective

Placement facilities, other activities, speak loudly

None

Motivate students for new start-up

Can give practical tasks to make us ready for the industries, can introduce some short courses

teachers were very helpful and always in touch with us

Interaction with students

Research study and practical knowledge

Teachers are supportive and the institute is good

Organization should conduct more program that will add value in ups killing.

Everything

Nothing

There must be more practical work

There is always more assignments that create confusion.

More technology

More practical

More personal interaction.

Try to give practical finance knowledge to Student

1

Good learning, Supportive staff & Good environment

To provide practical knowledge

Use of ppt should increase so that students will get easy to know the things

Give Practical knowledge about finance

Give practical knowledge about marketing

Nothing

Encourage students for lecture
Increase Awareness about the topic

Dedicated Staff
Knowledgeable Faculty
Empathetic People

More interaction with student.

Give three best practices related to overall teaching – learning experience in your Institution

51 responses

.

-

Good

Practical and field work

Social activities

PPTs

Guest lecture

Quality

Activity

Can't say

Two way discussion, learning practical insights & supportive, coordinative and easily accessible staff and faculty

Yes

Teaching through presentations, clearing all the doubts, encouraging students to participate in extra curricular activities

Good relationship with students, help them in overall activities like learning n outdoor too, help the students in getting jobs

1. Excellent guidance by my project guide Dr. Mrs. Smita Kachole Ma'am during the SIP. She discussed every single minute detail of the project with me and took time for me even at her busy schedules.

2. Anup Sir being the constant support in any difficulties throughout the entire MBA course.

3. Constant encouragement and guidance by my core specialisation guide Dr. Mrs. Mugdha Joshi Ma'am throughout the course and even during the Research Paper.

Excellent

Excellent

Excellent

Technology based learning

Interactive sessions

Encouragement for doing more and more

Good real life examples, using various methods for teaching, presentation

Use of PPT and explanations point to point

Best explanation, support system, good infrastructure

None

Ppt presentation, knowledge about global affairs related to topic and personality development

Group Activities, Informative Seminars & Various competitions.

All the teaching staff was very supportive

Excitement to help, skill development

Presentations

Good staff, knowledge upgradation, problem solving

1. I'm happy that I'm a student of this college the staff is so supportive, they always help to learn new things.

2. The institution is great and the teaching method is also effective. Using ppt while teaching helps to understand the concept also it make Learning easy.

Everything

Nothing

Teaches have good knowledge about every subject

Good Interactions with students

Presentation

Interaction

Teaching method

.

Best education , Application based learning , Development of interpersonal skills

Good interaction

All are best

The overall quality of teaching-learning process in your institute is very good.

.....

Good teaching skills of teachers

Nothing

Provide support in each and every situation

Use of ICT tools, teaching in a two way interaction, teachers reach every student and ask for their doubts.

The overall experience was very good with teachers and students they communicate very freely so students are get the point what is going wrong so the communication with teachers is Good .

Well Explained Topics

Relevant & Understandable

Good Student - Faculty Relations & Rapport

Encouraging individual skills & overall personality development

All teachers always cleared the concept whenever any one has any doubt
