Nothing

No suggestion

Focusing on performance appraisal of students
Regular Lectures for regular students

Time management

Very good

..

Institute must be helpful for students which are placed in Campus placements for internal and external exams.

Industrial visits must be arrange
Interview skills sessions
Practical knowledge must be enhanced

Not any

The best thing I have observed is, that the teaching staff is always ready to help and involve students in the activities.

They should conduct extra activities

- 1 Collaborate with colleagues.
2. Connect learning to real-world experiences.
- 3 Encourage active learning.

More lab oriented subjects should be selected so that more practical experience can be earned.

No Suggestions

Improve technical knowledge

Practical examples

Need canteen facility . Many times especially during exam many students face parking issues.

Use of real time examples

institute should make student aware about market requirement.

Build strong field experience
